**What's New in April** – Please visit our [What's New](#) page and our [Online Resource Library](#) which are updated on a monthly basis.

**Online Training programs** – Through an agreement with Riskmanager.net we will be offering online training and policy management programs starting in May 2009. Training programs will include child abuse prevention, staff safety, OSHA topics, aquatic safety and risk management. Please visit our [What's New](#) page for more on this exciting new service.

**Summer Safety Webinar** – Safe-Wise Consulting recently posted a new online presentation that discusses a [Summer Program Safety Top Ten List](#) in Webinar format.

**More about Crypto** - According to the Centers for Disease Control, Cryptosporidium outbreaks have been increasing at a rapid rate over the last few years. Many officials are again bracing for the worst in 2009. Read more about recreational waterborne illnesses at [Aquatics International Magazine](#).

**Summer hiring season** is fast approaching for teens. In anticipation of the summer hiring season, OSHA revamped its [Teen Workers Web page](#) to improve access to more resources for teens, parents, employers and educators on workplace safety and health.

**Slips, Trips and Falls** are a leading cause of accidents at many organizations for both staff and patrons. Learn how to prevent and manage these accidents with [Trip Hazards Do's and Don'ts](#).

The following is a list of the most **commonly overlooked OSHA standards** in Nonprofits:

- Hazard Communication Standard
- Bloodborne Pathogens standard
- Personal Protective Equipment (PPE)
- Emergency Action Plan Standard
- Fire Safety & Exit Routes
- Walking & Working Surfaces

Learn more about these and other topics in the [Online Resource Library](#)

**Safe-Wise on the Road** – Safe-Wise is presenting Summer Camp and Aquatic Safety Workshops at various locations as the summer program season approaches; visit our [What's New](#) page to see where. Are you interested in hosting a regional or local training program? Call Safe-Wise today. Live Web broadcasts are also available.
